NEW SERIES "HOW WISE PEOPLE BUILD WEALTH": *Series starts today;* Wealth comes in many more colors than just green. Building wealth is a crucial part of building your future, but first we need to define what "wealth" is. You can be rich in many ways, but the wrong definition will inevitably lead to the wrong goal. This series will challenge you to redefine wealth and make wise choices with what money you have ... because wealth doesn't grow on trees.

Kids & Teens...

KIDS CLUBHOUSE: Did you know? *First Look* is our curriculum for Toddlers and Preschoolers. Even at two or three years old, our children can know that God made them, God loves them, and Jesus wants to be their friend forever. These are the foundational truths that the *First Look* materials focus on. As our smallest family members begin to see the world with wonder, let's encourage them to see an amazing God!

P.U.R.E. YOUTH GROUP: *Thursdays, 7-9PM, Fellowship House, 515 Harry Street, Conshohocken;* Come connect with other Jr./Sr. High students and discuss some practical God stuff that will make a difference in your life. Oh, and have fun too! Mark the response card for more info.

Simple Next Steps...

Get Connected...

HOUSE CHURCHES: *Various times and locations.* House Churches are groups that meet each week all around the region for study, prayer, and simply sharing life together, and we have a House Church that is perfect for you. House Churches have just started back up after the holiday break, so this is a great time to give one a try. Mark the response card for more info.

MEN'S BREAKFAST "ESSENTIAL 100 CHALLENGE": *This Saturday, February 18th, Panera, East Norriton, 101 Germantown Pike, Norristown, 9:00 AM to 11:00 AM;* The men of Storehouse are taking the challenge and getting together once a month to dive in and unpack one of the devotions that moved us. We want men of all ages to walk away from this study with a renewed energy in reading the Word, discussing the Word, and living the Word! Who knows...it might even last for more than four months! Mark the response card for more info.

WOMEN'S SEED STUDY: *Saturday March 3rd.* Join Priscilla Shirer in a six-part series of short videos that includes thought-provoking, modern-day parables with weekly Bible study guides. Each video stands alone and covers a specific topic. This month's title is "Enough." Wanting more and wanting better come naturally to us. Anxiety, worry, and concern often accompany those feelings. God is a good Father to us and his gifts are good and always good enough.
